Message from Coach Kyle and Coach Williams

The 2009/2010 Klein Oak Swim and Dive season promises to be a very exciting one! 98 swimmers wanted to be part of the Oak swimming program this year! Tryouts were held and we now have 80 swimmers. While this is a large number, with hard work and a winning attitude, we will have a great season!! We have 9 girls and 7 boys who are returning Region IV Qualifiers and we have some very talented swimmers who are new to the team this year.

Being a student athlete brings with it a lot of responsibility. Coach Williams and I are here to help with that responsibility. We receive weekly grade reports on all our athletes. This enables us to monitor and attempt to keep our athletes'

eligible for competition. Eligibility for competition is very simple, you must maintain a 70 average or above in ALL your classes. Failure to meet the grade standard means a swimmer may practice with the team but cannot compete or travel with the team. We never want this to be an issue for any of our swimmers -- WORK HARD, WORK OUT, BE A TEAM PLAYER, JUST DO IT! Coach Williams and I are looking forward to a very successful and rewarding season!!!! Let's make it happen together! Oak swimming is hard work, team work and fun!

This year we have a new suit style which incorporates more Oak gold than last

year's suit. Last year's suit is acceptable for the 2009/2010 season, but by 2010 / 2011 season, the new suit will be mandatory.

On October 9th we have meet the Panthers Intra Squad swim meet, spirit items sale and booster club registration. Time has not been set for the swim meet at this time. We will get that information to you as soon as Coach Williams and I work out the details.

Greetings to all our returning families and Welcome to our new families.

The booster club is here to support the KOHS Swim and Dive Team by raising funds to provide for items as requested by the coaches and organize team building

activities throughout the season.

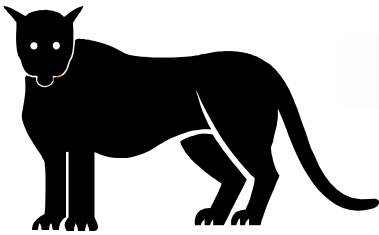

This year we will need monies to subsidize the Pasta Party and District T shirts for the team members and goodie bags and meet dues for the A & M meet. The booster club also pays for the swimmers to attend the end of the year banquet.

In order to do these things, the Booster Club Board has opted to NOT hold fundraisers and rely entirely on our membership dues to support the team for the year. Instead of investing time and money into our fundraisers we are asking that every family join the Booster club on one of the levels below. By doing so,

we can provide the same activities as we have in the past without having to have fundraisers throughout the year. Because UIL rules only allow the Booster club to give athletes one meal during the season, we will be charging nominal fees to all Booster club members for all activities except the banquet. The banquet is the one meal the Booster club gives to the athletes.

Starting this year, a multi-tiered enrollment will be available.

Level 1: \$100
Level 2: \$150
Level 3: \$200
Level 4: \$250
